

2018-2019 Freestyle Academy  
Student of the Year  
Ben Peterson

Ben Peterson is simply one of the most dedicated students we've ever had at Freestyle. He has earned a gleaming reputation not only for his excellent work but also for his genuine commitment to helping his peers perform at a high level. Ask any Freestyle student or teacher about their first impressions of Ben, and you will hear that he is extremely positive, full of integrity and authenticity, and a superb communicator and digital artist. Known in our community as "a master of all trades," Ben has applied his talents widely, from collaborating on projects for Film class and creating videos for the District, to accepting community help requests and mentoring underclassmen. His contributions to class discussions and group feedback are always honest, supportive, and uplifting. Indeed, Ben Peterson has elevated the quality of the Freestyle experience for everyone around him.
