Materials Used

- ❖ 3mm Crochet Hook
- ❖ Crochet Needle
- ❖ Number 4 yarn
- ❖ Scissors

Progress

Step 1

Create a chain of 120 chains

Step 2

Use double crochet knots along whole chain

Step 3

Repeat step 2 with alternating colors

Step 4

Creat Back

Conflicts

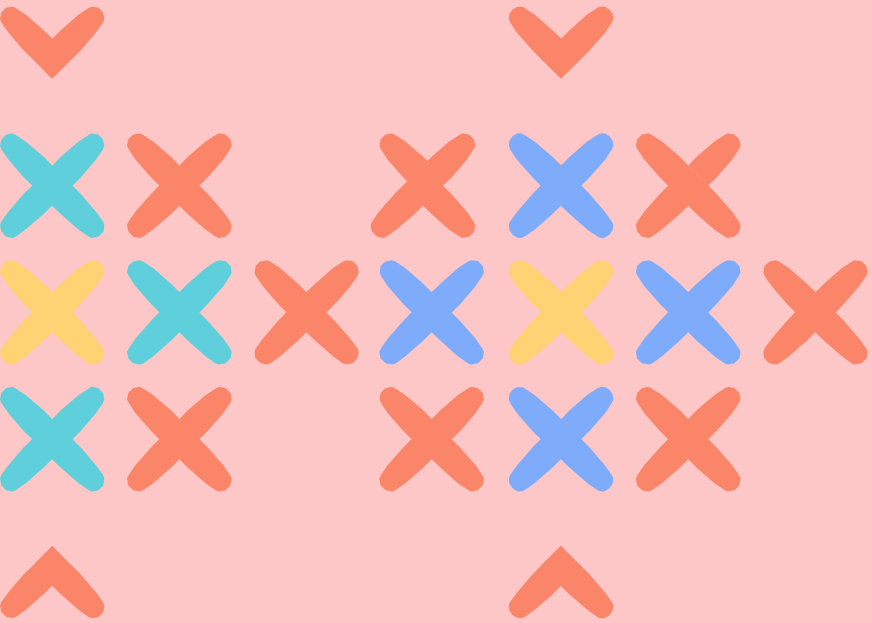

- ❖ Bought the wrong hook
- ❖ Hook was plastic which made it hard to maintain the same tightness throughout the knots due to its flimsiness
- ❖ Switching in between colors caused the sides to become uneven

Reflection

I am very happy with my explorations project, although I have not yet finished my top my main goal was to learn how to crochet and I am looking forward to using this skill in the future. Moreover, I was very rewarding to see how my craftsmanship improved throughout this project

Thank You!
