Pebeo paint

Inspiration

spanish-style tiles

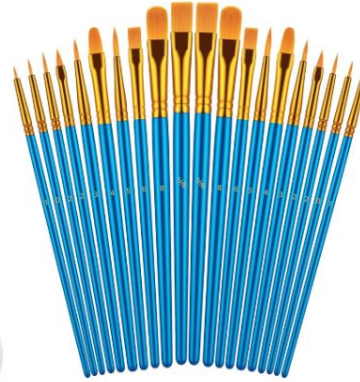

Project Goals

- Improve self direction
- Create something I can use in the future
- Figure out new medium

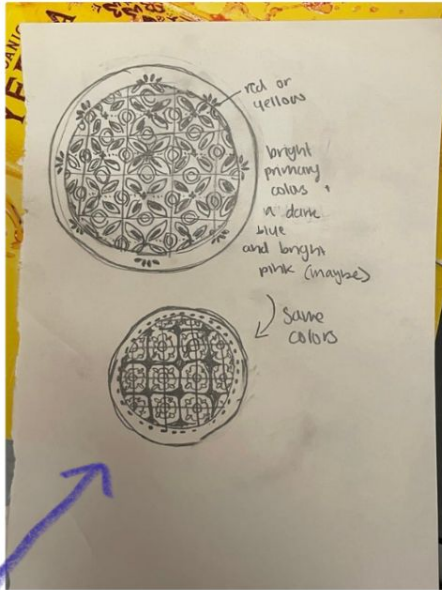

Materials

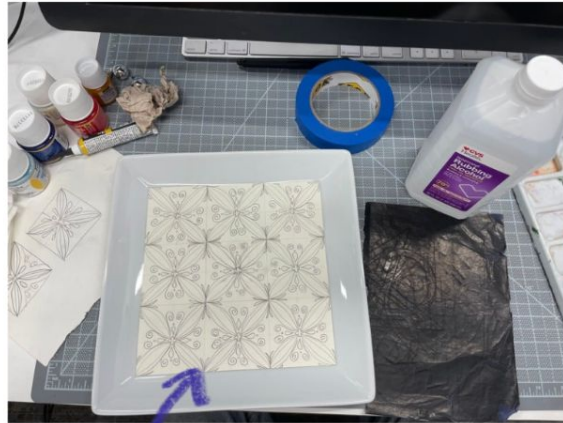

- plate
- pebeo paint
- liners
- brushes
- palette
- carbon paper

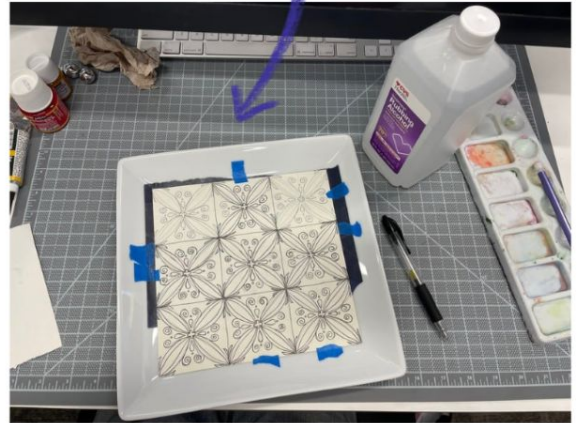

Production

original pitch sketch

final design

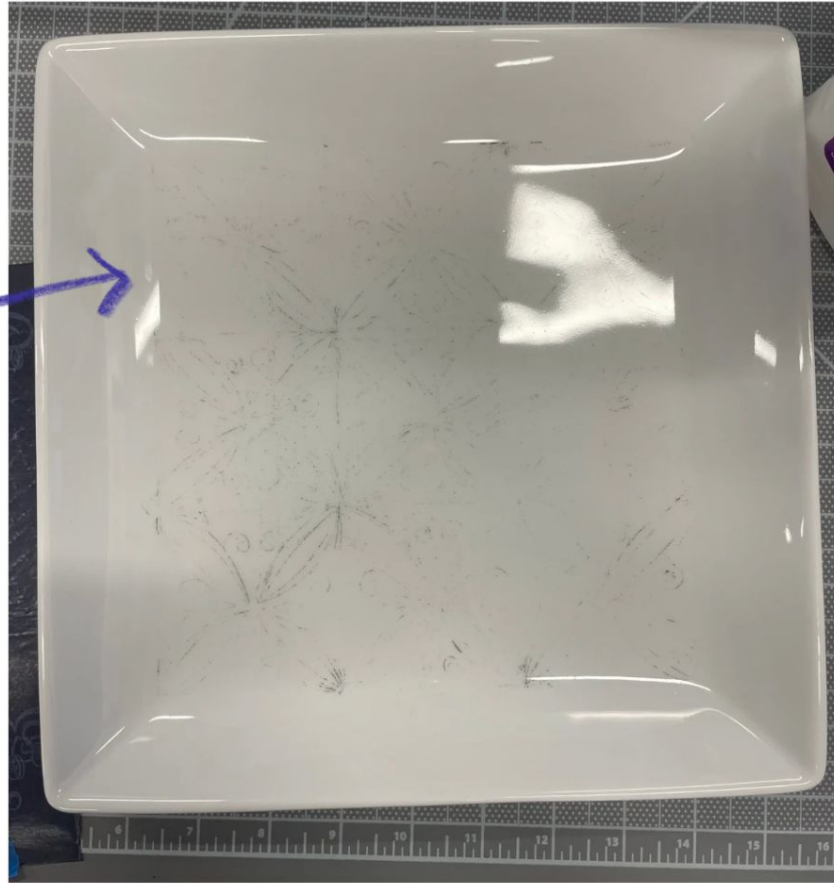

tracing with carbon paper

Hiccup

#1

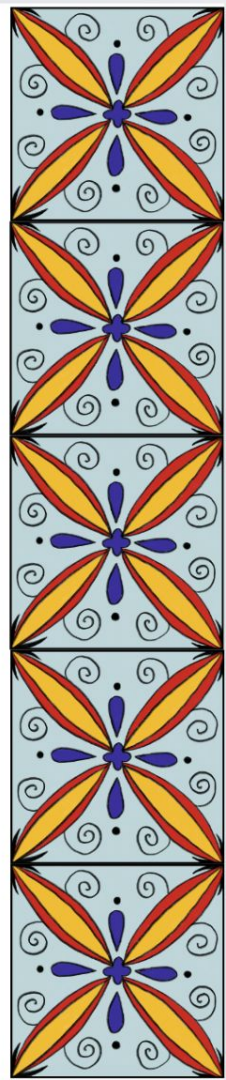

tracing
failed to
transfer ☹

Hiccup

#2

it transferred,
but it isn't aligned,
it got cut off ☹️

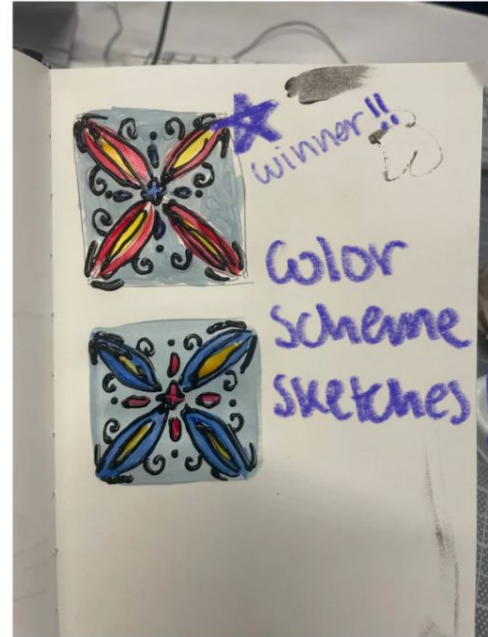

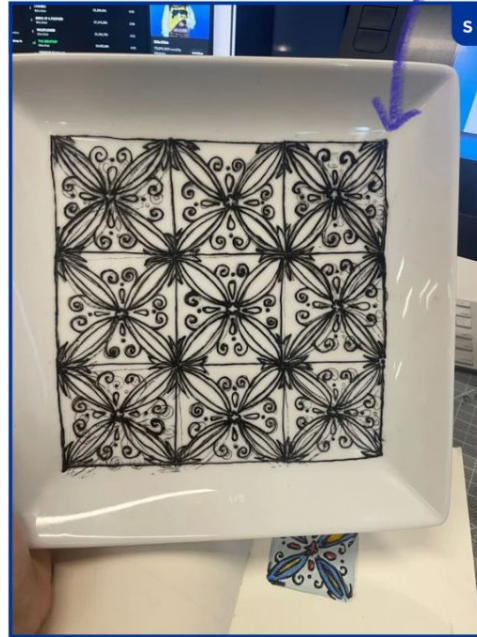

Progress

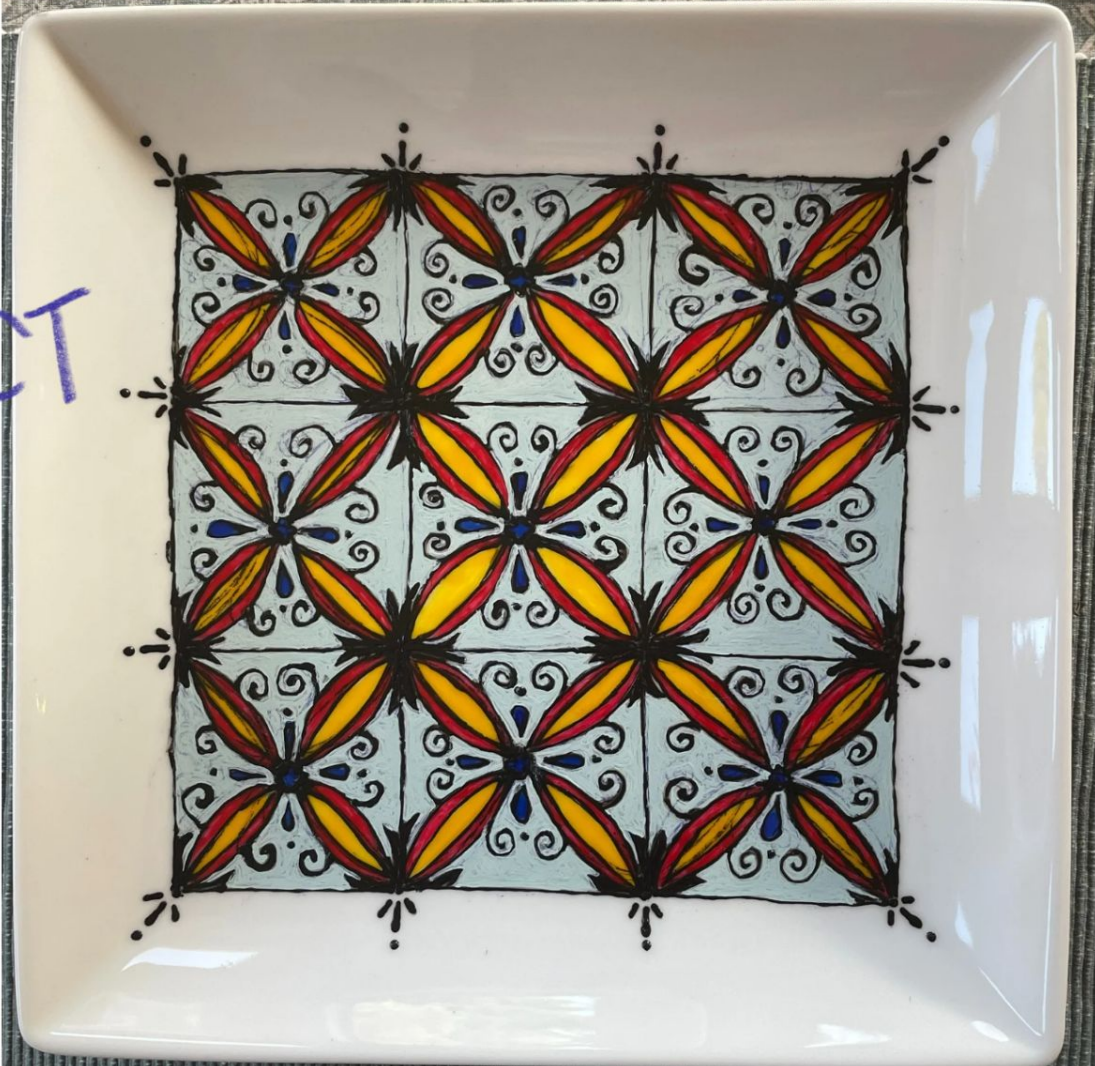

lining
complete

lining!

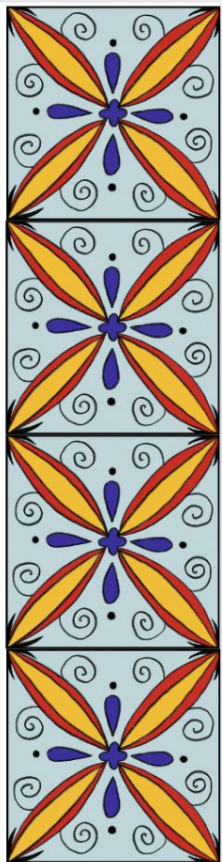

FINAL
PRODUCT

Takeaways

- Cool to have a tangible outcome, especially one I can use in the future
- Consistent amounts of thinner is important
- Lining was a bit stressful, painting was super relaxing

Thank you!
