

# INTERLINKED

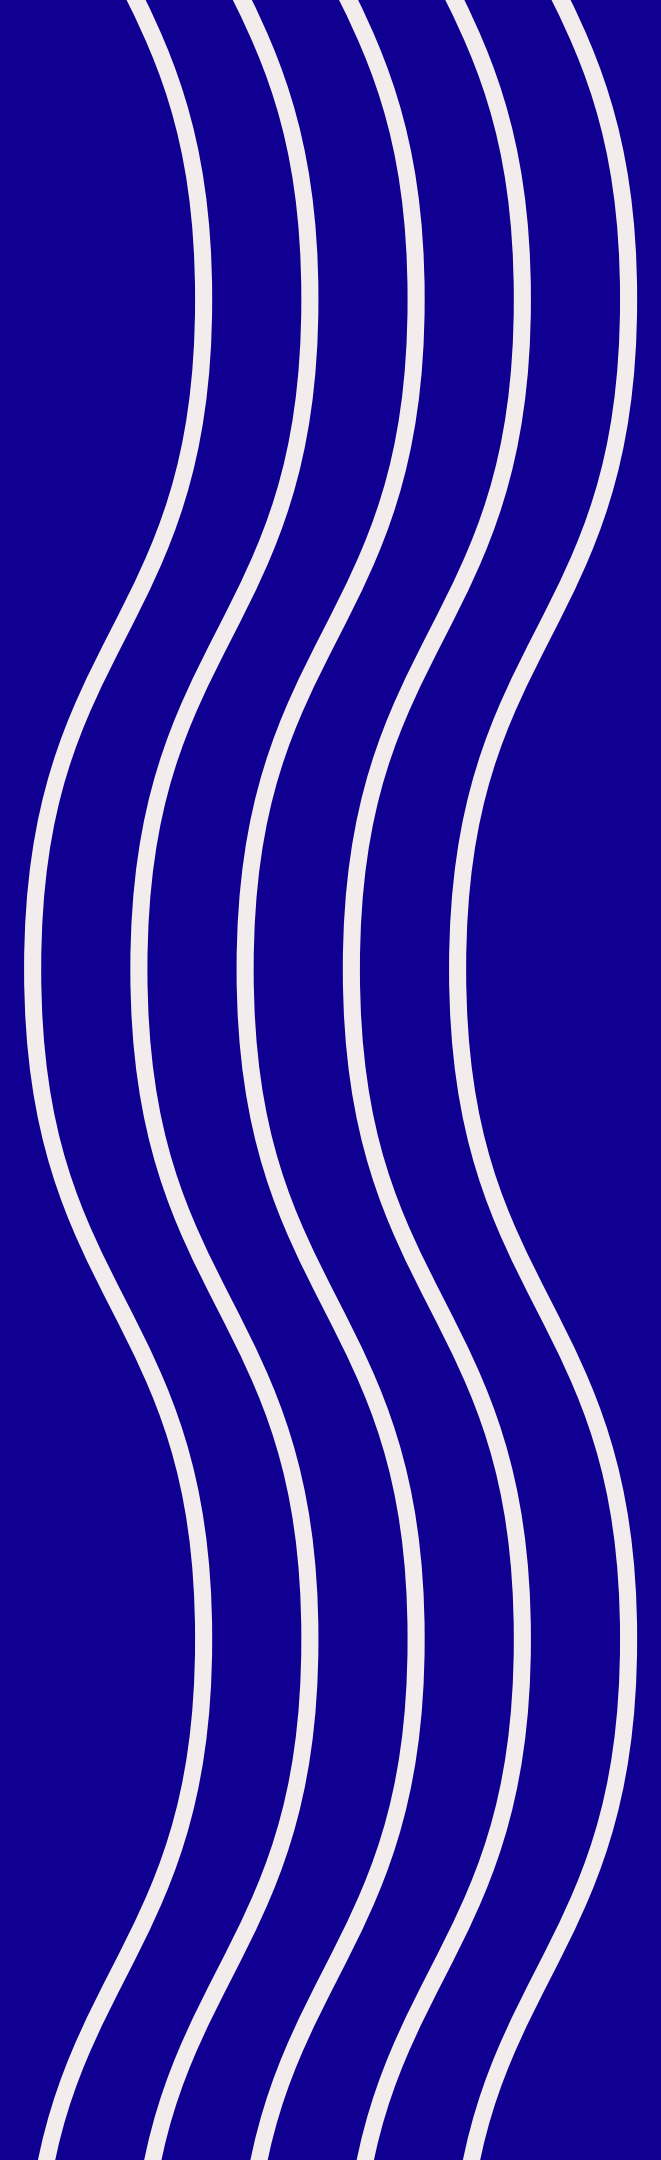

CHARLOTTE VAN KERSCHAUER

JUNE 2024

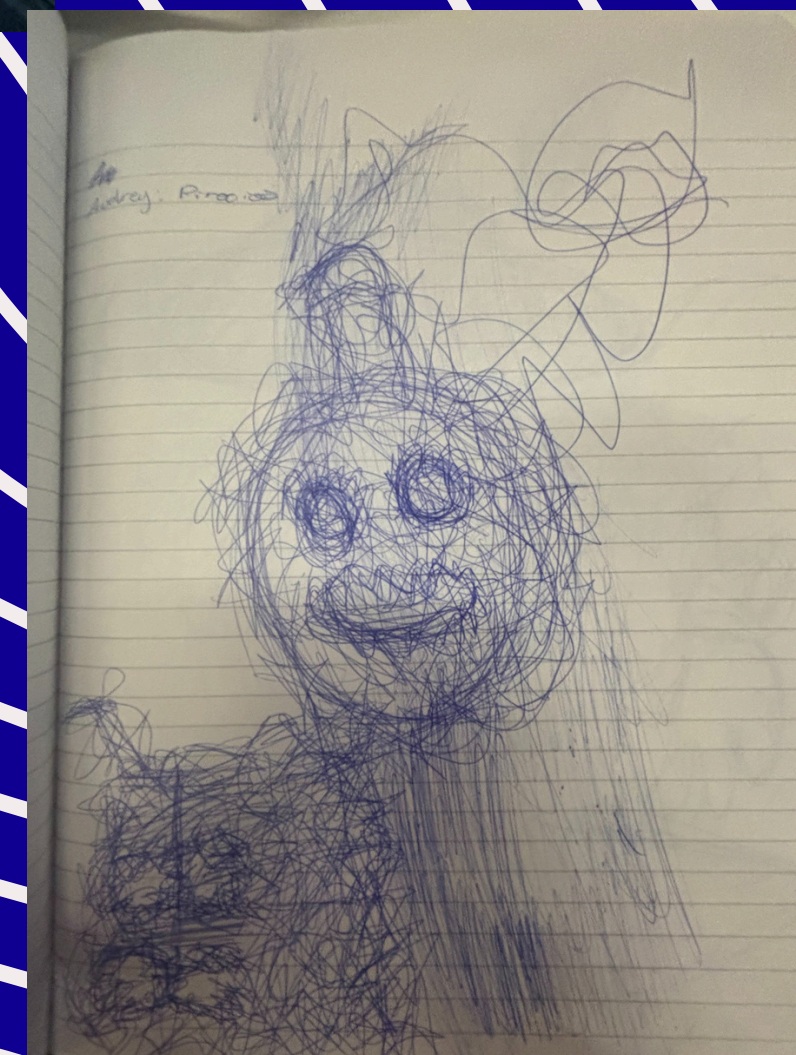

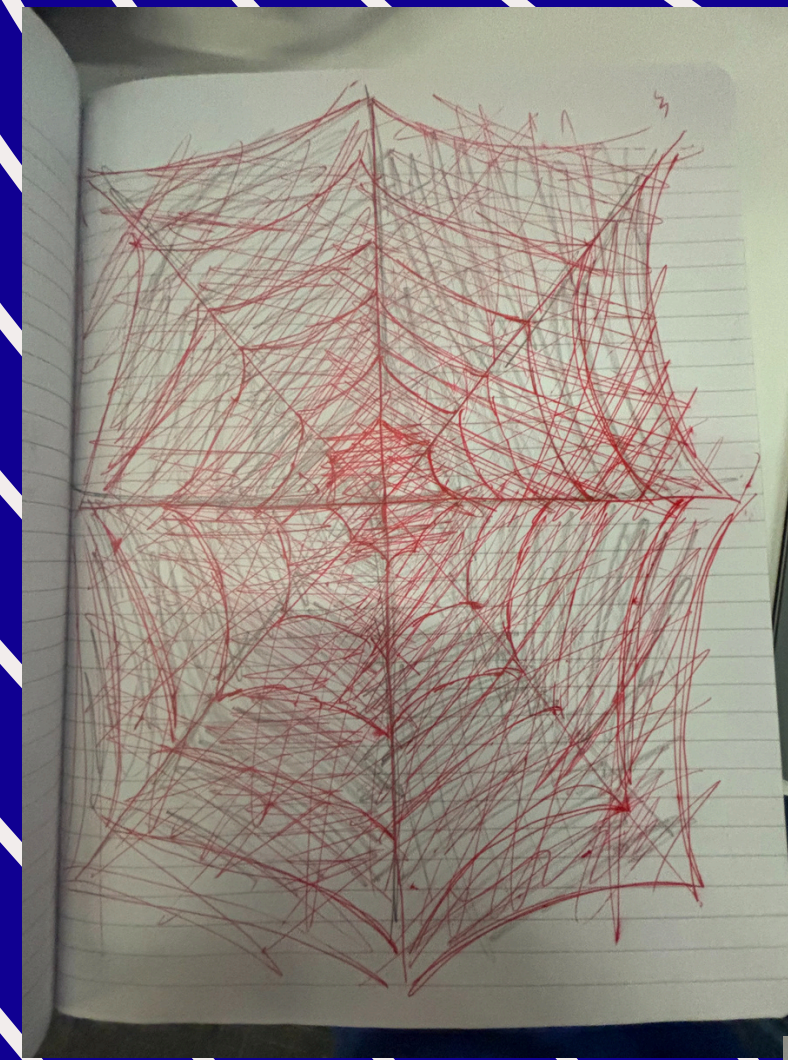

# INTERLINKED?

- minds melting together
- same wavelength/thoughts
- someone understands you more than anyone else

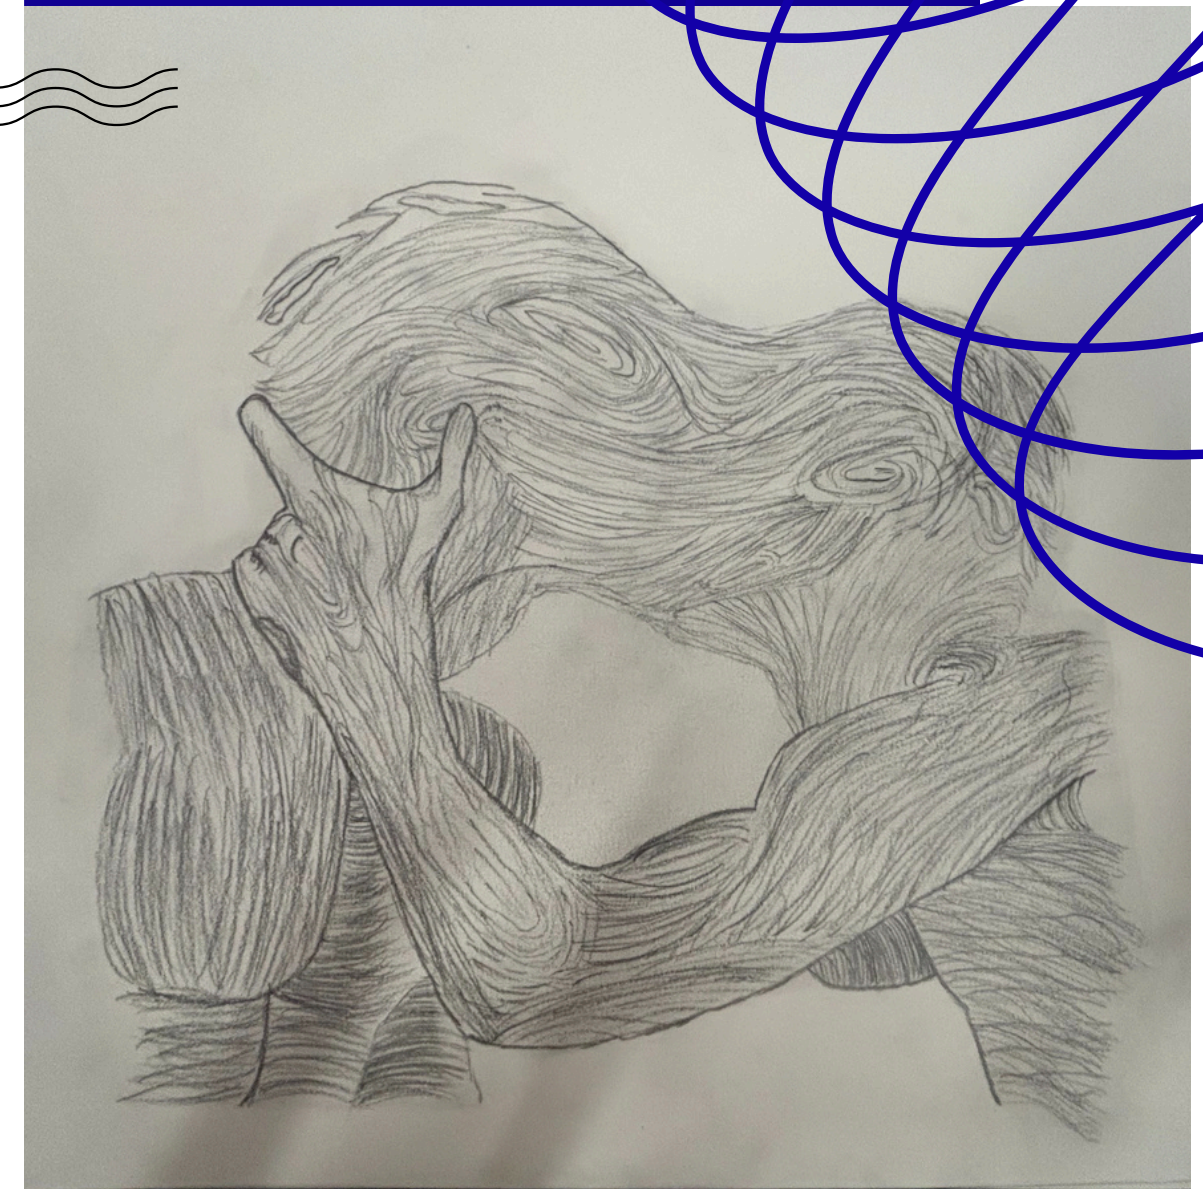

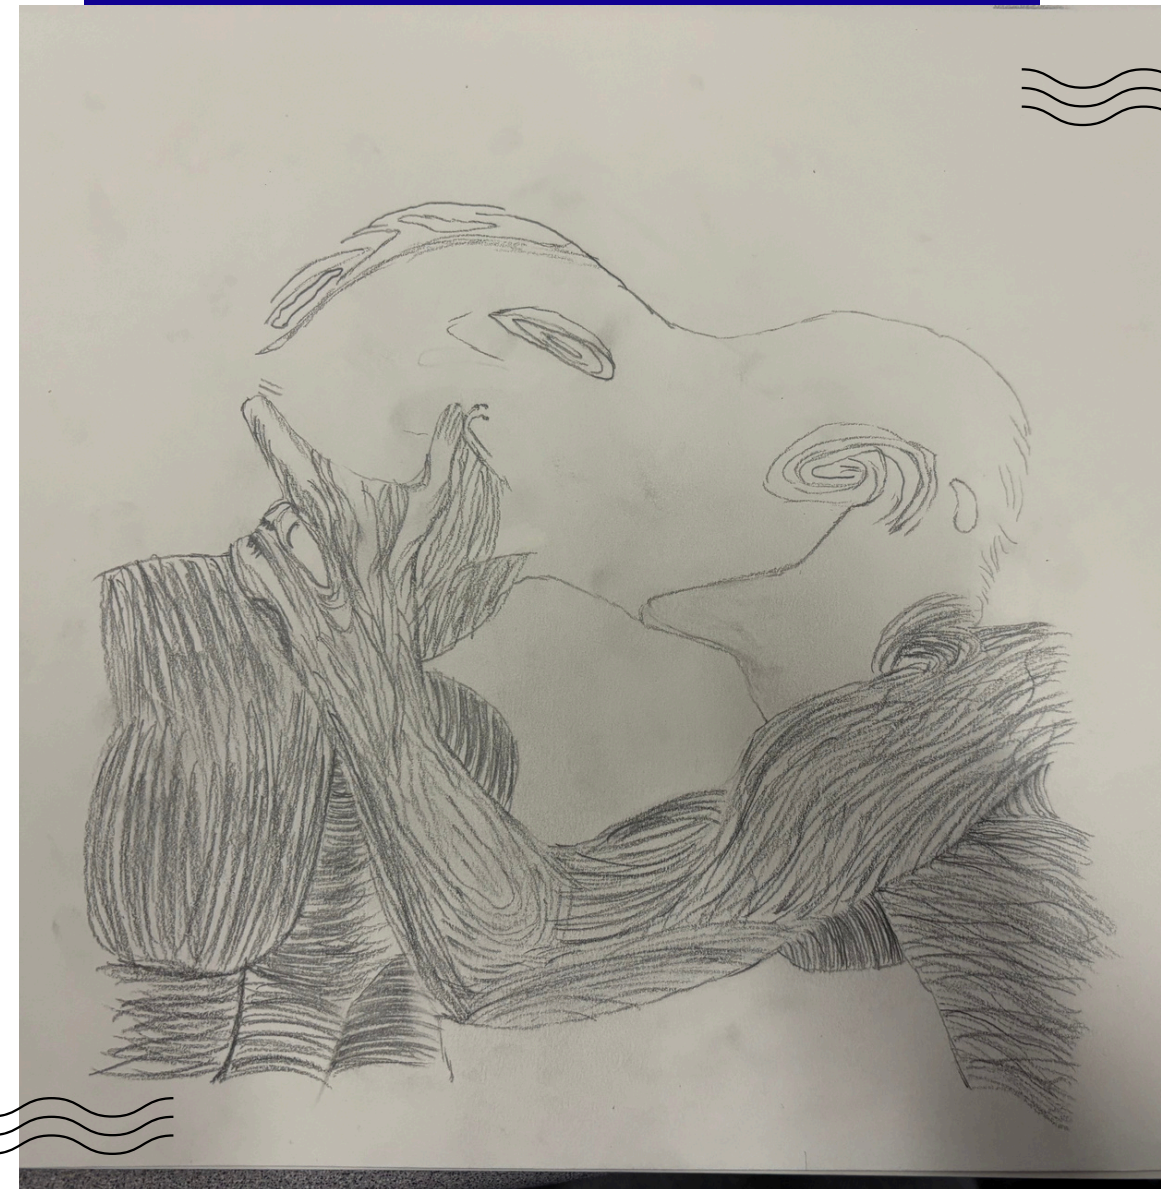

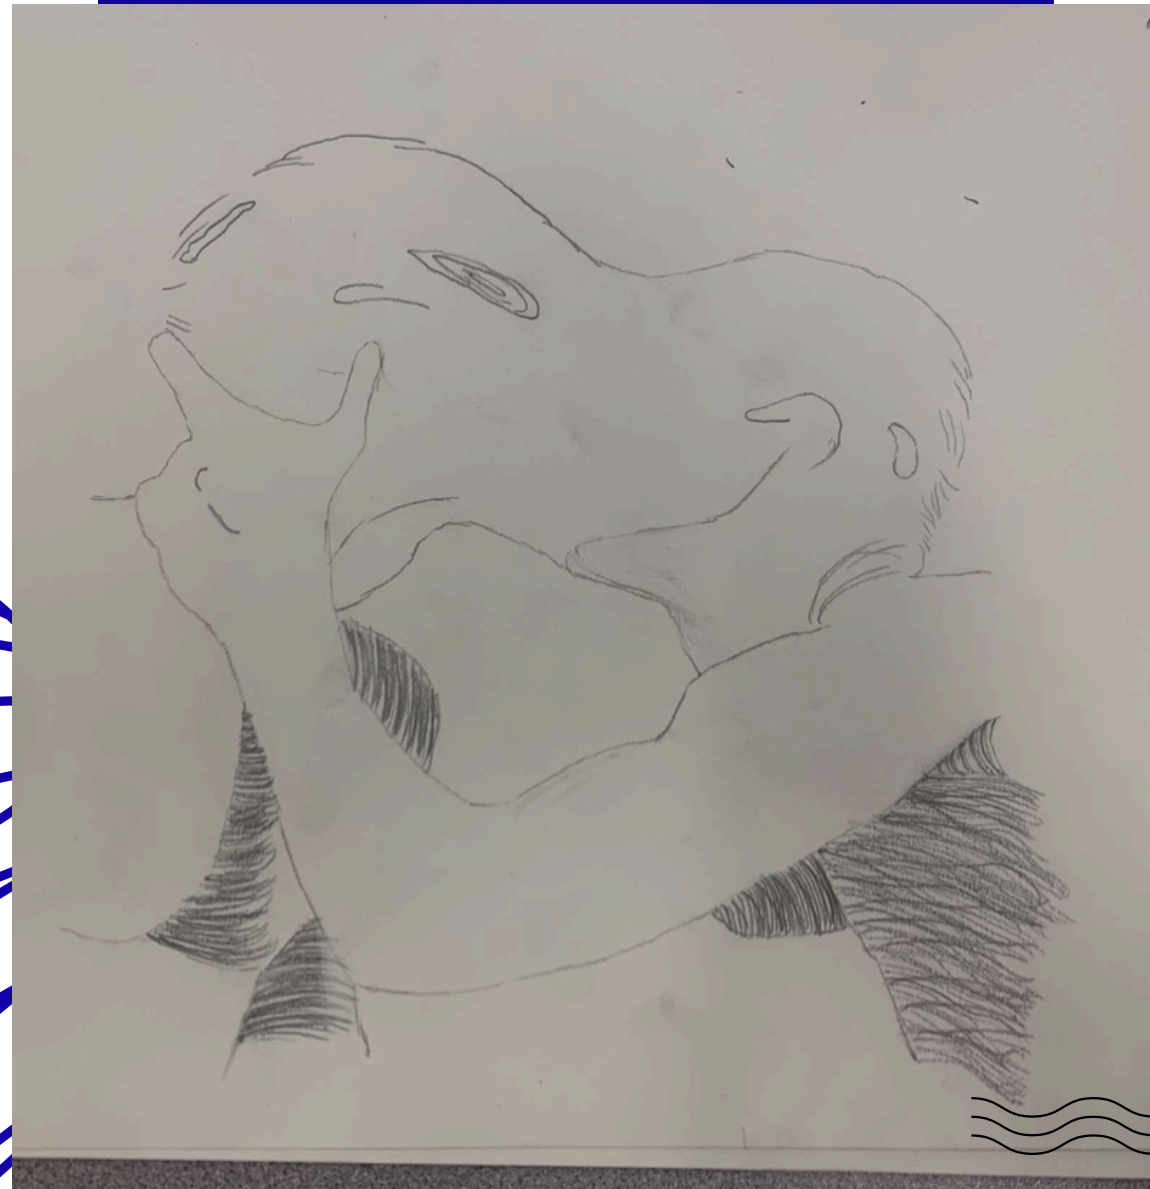

# WHY?

- Always doodle in all my classes
- The idea of connecting things through lines, in this case people
- The first and second ideas didn't work.

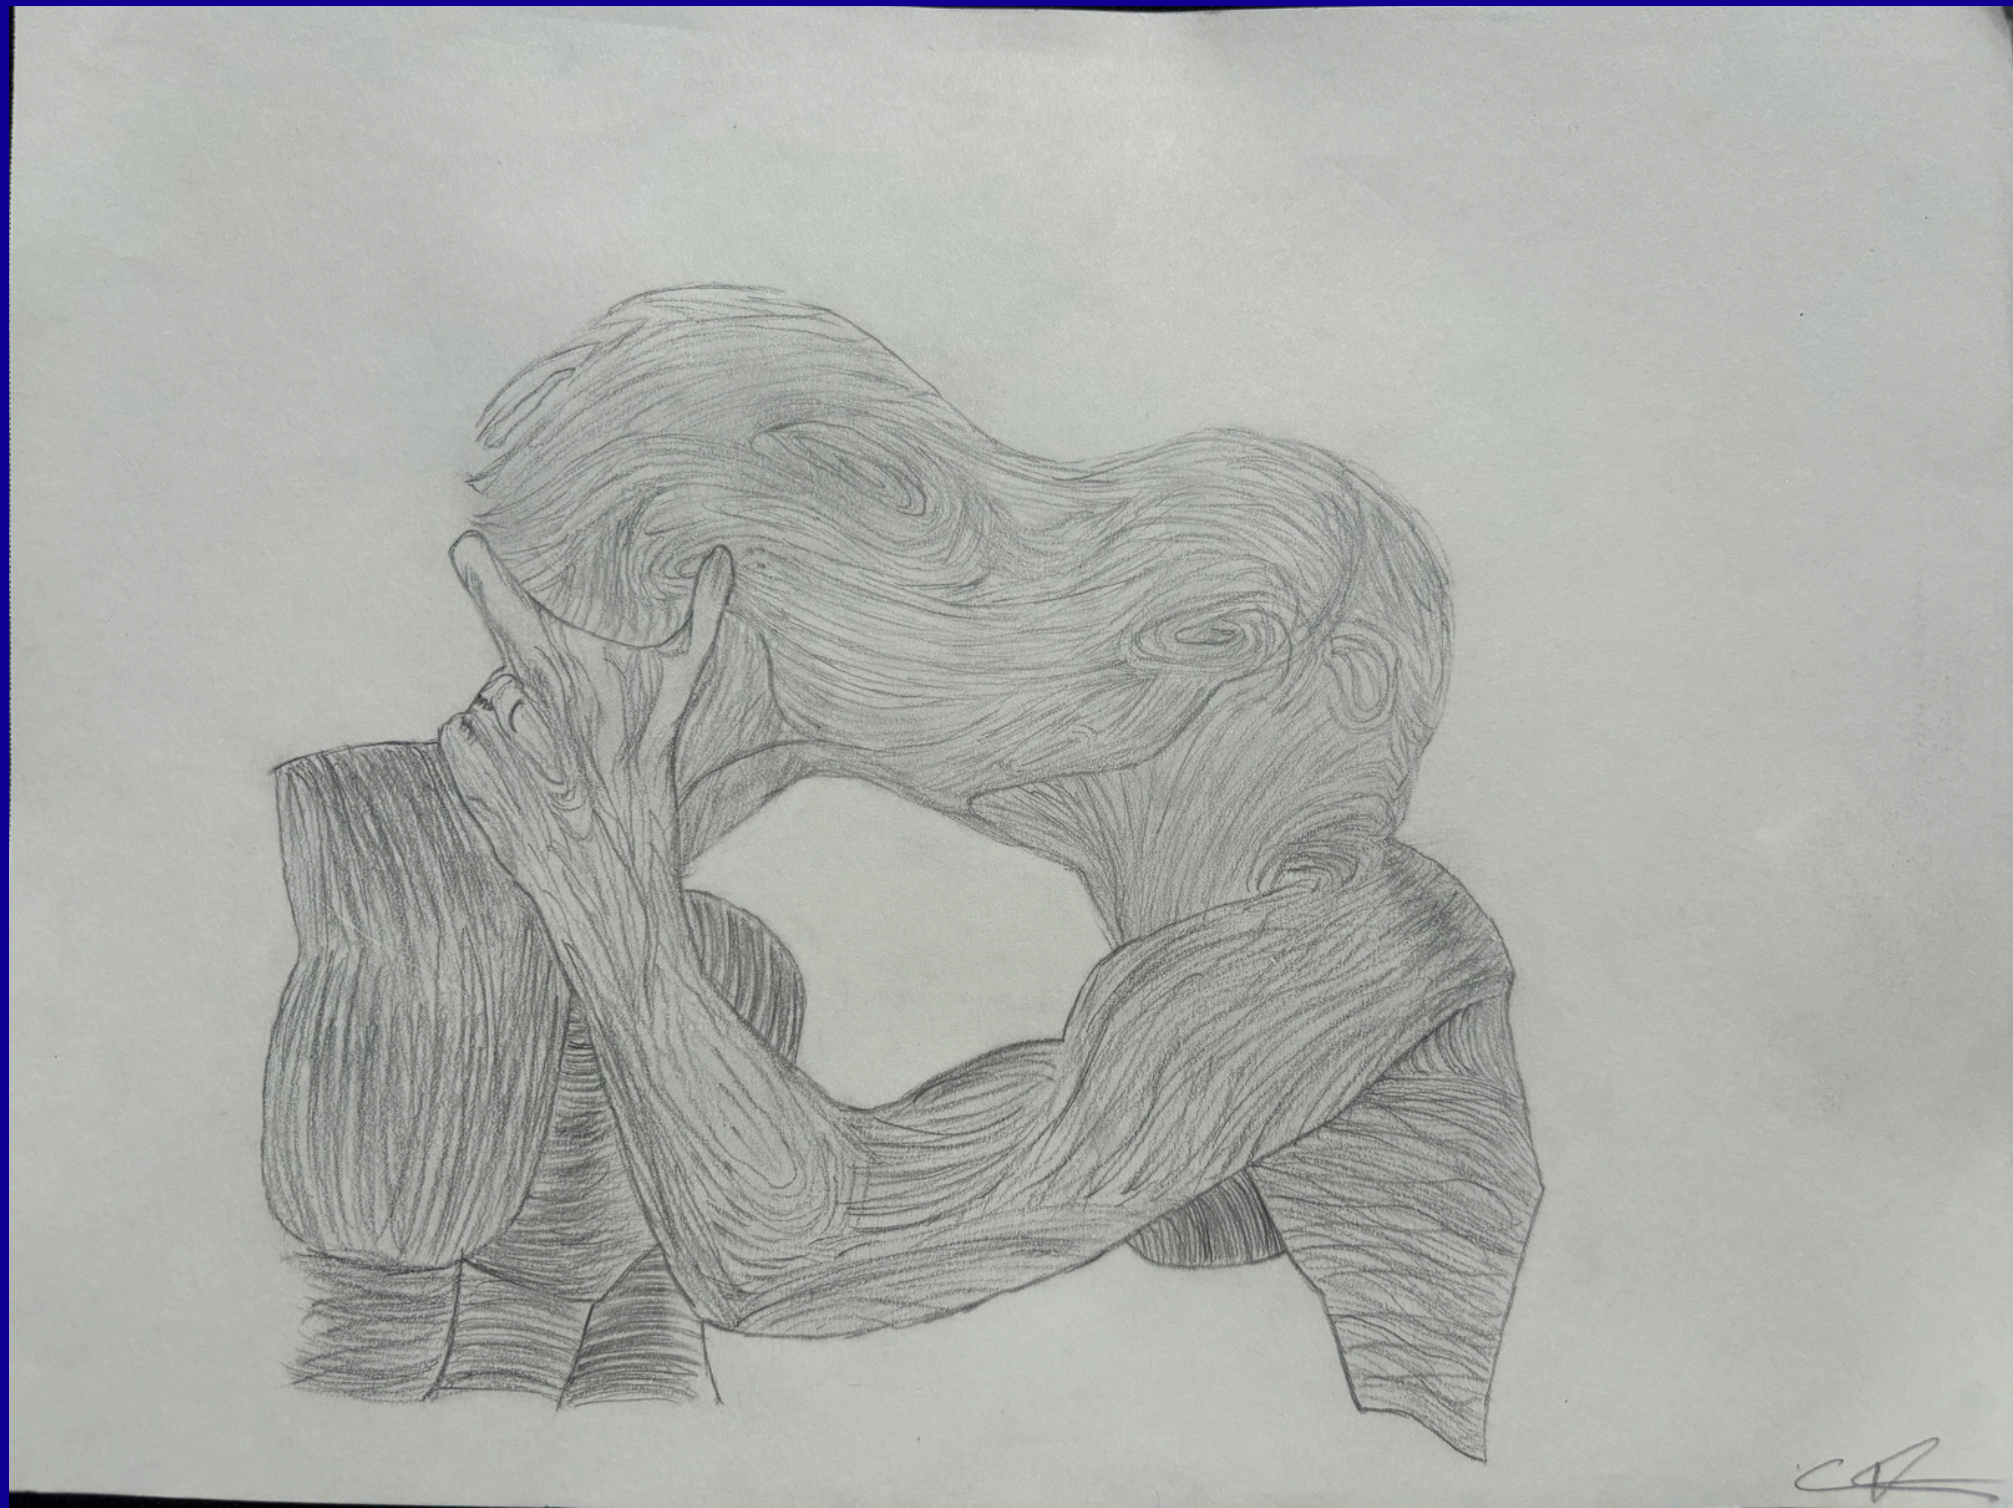

# PROCESS

# FINAL PRODUCT

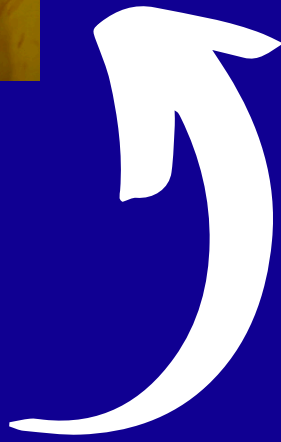

# TAKEAWAYS

- Things won't go as planned
  - Finding the right direction for the flow of lines is hard.
- 

my failed idea

# THANK YOU!
