

For the past 6th months I've been the freestyle villain

In english I leave my phone ringer on just to spite mr greco

In film I show up 20 mins late every day.

Y'know those missing oreos in Mr Flo's room, yeah, that was me!

In design I convinced Ms. P to let Samay do his Zenith project

I never turn in Artist Statements!

I never have a film ready for animation

I heard there was only going to be 1 kid in animation, so I quit

TOGETHER: We are the freestyle villain
