Jordan: Good afternoon everyone

Giselle: Welcome to weekend update I'm Giselle Arellano Guerrero

Jordan: I'm Jordan Fuller. Well, last Thursday was Freestyle Exhibition, also known as Freestyle DESIGN class exhibition. You either look at design projects or you go into the film room jail. There was a line out the door of the digital media room last Thursday, surprisingly it wasn't people waiting to get help on an assignment, but for printing out artist statements...day of.

Giselle: People had trouble finishing all of their digital media assignments because they were "too intimidated to ask Mr. Flo for help" meanwhile he's standing by the sink eating coleslaw.

Jordan: Congratulations to all the seniors who are graduating this Thursday...I hope you all know that. And we will see you again on Friday when you come to finish all your digital media work.

Giselle: Reports say last week Mr Greco gave a short announcement at the beginning of class – lasting just under an hour because he "got started talking about Kurt Vonnegut"

Jordan: Just a few weeks ago the juniors finished their documentary projects, which meant there was only one person crying in the bathroom, instead of the usual 12. I saw that person run out of the film room.

Giselle: While the juniors were finishing their documentary projects, they kept having problems with the Wacom tablets. Here to comment, is a Digital Media Wacom tablet. Wacom tablet enters, slouching, emo like.

Giselle: So, we hear you and your friends wouldn't connect to the computers in Digital Media?

Wacom tablet: yeah whatever.

Giselle: Okay...so, will you ever consider connecting easily in the future?

Wacom: no.

Giselle: Right...and what about all the students that need to get work done? You know that class has a heavy workload and it kinda sucks to not be able to use those tablets for drawing.

Wacom: Sorry, Giselle, I'm having trouble connecting to this conversation.

Wacom tablet walks off, Giselle reacts

Jordan: Everyone at MVHS is doing senior thesis and we are...still listening to Mr.

Greco talk about Slaughterhouse five. For weekend update I'm Jordan Fuller

Giselle: And I'm Giselle Arellano Guerrero
