

Title: Ancient History? Lol

Make it seem like a history lesson, lecture about the 'history of freestyle' → then show music parody as the main content.

Or: PM students and Janine at a round table, talking about the new campus / their past year.

- What if we start with an announcement that we will be moving in this friday
 - Then in a celebration someone starts playing cupid
 - A dialogue scene in the middle
 - Continuation of the music video
 - Maybe end with a scene of us stepping into the new campus - one step and either show us graduating or just cut there ?
- Choreos in between? Of us trying to dance together - maybe funny because we're not in sync
 - Scenes of us being sick of in the current freestyle portables
 - Or groping around in the dark portables and falling over things (except they will be empty. Maybe we can ring a box)
 - Us running to/ around the new freestyle campus (ex. Taking photo in front of the new building but still can't enter)

- Showing fancy side of the new building compared to the portables/ campus we have currently
- Show the calendar how there's only a month until we graduate and the construction is still not getting done !!
- Octopus

Lyrics to shots
 Highlighted = done!

<p>Everyone + Tae La, la, la, la-la-la La, la-la-la, la, la-la-la (add pop rap idk man)</p>	<p><input checked="" type="checkbox"/> Ping-pong</p>
<p>[Verse 1] - Theresa Been dreaming of Freestyle's new campus </p>	<p><input checked="" type="checkbox"/> Zoey in old campus zoom out</p>
<p>Zoey Excited to leave the portables,</p>	<p><input type="checkbox"/> Of us jumping in front of the new campus building ? <input type="checkbox"/> Or running out of portables</p>
<p>Lucy But Moving Day keeps being pushed back..... <i>(oh help, oh help)</i></p>	<p><input checked="" type="checkbox"/> Janine pushing Lucy (Lucy is Moving Day)</p>
<p>[Pre-Chorus] - Theresa + Lucy I'm feelin' underwhelmed (<i>underwhelmed</i>)</p>	<p><input checked="" type="checkbox"/> Tired in chairs <input checked="" type="checkbox"/> Lying down over benches <input checked="" type="checkbox"/> In those benches by the orange net</p>
<p>Lucy Oh, I wish I'd have a building that could house me (house me)</p>	<p><input checked="" type="checkbox"/> House with arms by Theresa and Lucy; Zoey running through and sitting inside 'house'</p>
<p>Janine Now I'm crying in a box </p>	<p><input checked="" type="checkbox"/> Crying in box</p>
<p>Zoey So tired of waiting (<i>Say what you say, but I want a new building</i>)</p>	<p><input checked="" type="checkbox"/> Theresa against portable wall</p>
<p>Janine But still, I have no room, please, please!</p>	<p>Act like we're trapped in a space that we can't break through? Mime <input checked="" type="checkbox"/> Behind glass wall <input checked="" type="checkbox"/> Zoey</p>
<p>[Chorus] - Lucy Gave second chances to construction!!</p>	<p><input checked="" type="checkbox"/> Everyone point at the construction <input checked="" type="checkbox"/> Bow and arrow and fake heart things <input checked="" type="checkbox"/> Something with number Two <input checked="" type="checkbox"/> End with pointing at construction</p>
<p>Lucy But now I'm left here feeling homeless!</p>	<p><input checked="" type="checkbox"/> Someone crouched in corner of Photo room, little light</p>
<p>Lucy Oh, the way my teachers make us feel we'll</p>	<p><input checked="" type="checkbox"/> Any of the teachers talking?</p>

<p>move soon</p>	<p><input checked="" type="checkbox"/> Or pop-ups of the Freestyle teachers' heads</p>
<p>Everyone + Tae Waiting is so dumb!</p>	<p>Ooh yeah that would be good Yo I wish we could use a color scheme for ourselves, like each person, like you are crying in a box and blue But then you punch me so you are not the sad personality It's okay Like Inside Out!! Lol we can try to implement as we go Yess Ok sounds good i think we just need to find the time to do this</p>
<p>DIALOGUE: Excited: "I'm so excited to move in next week!!" (Lucy) Dead: "It's not happening" (Janine) "What about next year?" (Tae)</p>	<p>Us talking. Film in the hallways between the softball field and fence. Backpacks as props. Someone (Lucy?) runs up to Tae & others with backpacks on, filming the run, then dialogue. Say "It's not happening" in a sharp tone</p>
<p>Theresa [REPEAT Pre-Chorus] I'm feelin' underwhelmed (underwhelmed)</p>	<p>Pillow fight to show frustration? (slo mo) Or a prom scene showing us going crazy?</p>
<p>Janine Oh, I wish I'd have a building that could house me (house me)</p>	<p>Hug a stuffed animal? Hippo I have a stuffed rat YES Ooh nice Yk when the music video has a scene that's like those grabbing things, the ones you are trying to claw to grab a stuffed animal or squishy. It fits their video so well. Not saying we need to do that. Just that it thematically fits, because she wants something that is hard to get. What's thematically similar to a building? Yeah that's good Um Something with shelter a fort hmm - Pillow fight? yesssss And ruin fort? Where at? We can't all crash your house 😭 Oh true nvm then Wait lucy what class are you in rn</p>

	<p>Is the test over? Psych Yeah Hopefully I did well yes good job It would be really fun to use costumes with our scenes - like theoretically PJs with pillow fight, Oh yeahh pjs When would we be able to film that? Wait when is this due Whole project due by 22nd. Tae will probably compile the actual film itself. You/I do audio? First we have to record it early next week, you said Tuesday Yeah I can film next weekend Just not this weekend Hm yeah we need time to edit too Next weekend doesn't give us much time to film. Unless it's very small last minute scenes that Tae is okay with putting together</p>
<p>Zoey Now I'm crying in a box (wah wah)</p>	<p>Box on top of head (while dancing)</p>
<p>So tired of waiting (Say what you say, but I want a new building)</p>	<p>Prom scene with three - Tae, Janine, Lucy - heads down, cut scene to reveal each person.</p>
<p>But still, I have no room, please, please!</p>	<p>Begging? Idk if that's too literal</p>
<p>[Chorus repeat] - everyone Gave second chances to construction!!</p>	<p>Rewind effect if we have time maybe?</p>
<p>But now I'm left here feeling homeless!</p>	<p>Sleeping outside</p>
<p>Oh, the way my teachers make us feel we'll move soon</p>	<p>Cartwheels Rolling down a hill</p>
<p>Waiting is so dumb!</p>	<p>Ending - should it be sad or happy? Sad ending - still Happy ending -</p>
